- Be able to express oneself in Standard in real life situations
- To analyse sentence structures in Standard Arabic
- To relate to contextual situation in Standard Arabic

### **Programme Structure**

This two-module programme is designed to benefit those who are keen to understand the Arabic Language. This programme will include real life situations and examples in the Singaporean context. The programme will be conducted once a week over 8 weeks. Each session will last 2 hours. At the end of the course participants will be required to sit for a written assessment. A Professional Certificate will be awarded to participants who successfully complete the assessment. Other participants will receive Certificate of Participation.

### **Course Synopsis**

#### **Arabic 101 – Level 1 & 2**

This module will give students an introduction to Arabic Language and Culture. It will next cover the basics of introducing oneself. Its content will follow a thematic approach that will cover real life situations, e.g. going to work, asking for directions etc.

#### **Arabic 101 – Level 3 & 4**

This module will be a progression from the previous level. It will maintain the thematic approach in learning and will more real life situations and activities that students face in their daily lives and together with their families or friends.

### **Assessment**

Assessments will be conducted throughout the programme in addition to a written exam at the end of it. Therefore, participants are encouraged to attend all sessions prepared with all the relevant assignments. The mode of assessments will vary with the final exams carrying 70% of the whole assessment.
